

Man-u-mation

“automation for bros”

“automation...bite sized!”

Why?

80/20

project reality

tough nut to crack

1/2 way there...!

auto-it

batch

shell

record/playback

More goodies

automation 101

i can haz SDET?

swiss army knife

not just for n00bs

(or: “I’m already a snooty SDET, why should I care?”)

leverage, leverage, leverage!

high ROI

3...2...1...

itchy

small

quick

valuable

decisions, decisions...

Everything is awesome!

▪

▪

▪

(except things that are slightly less awesome)

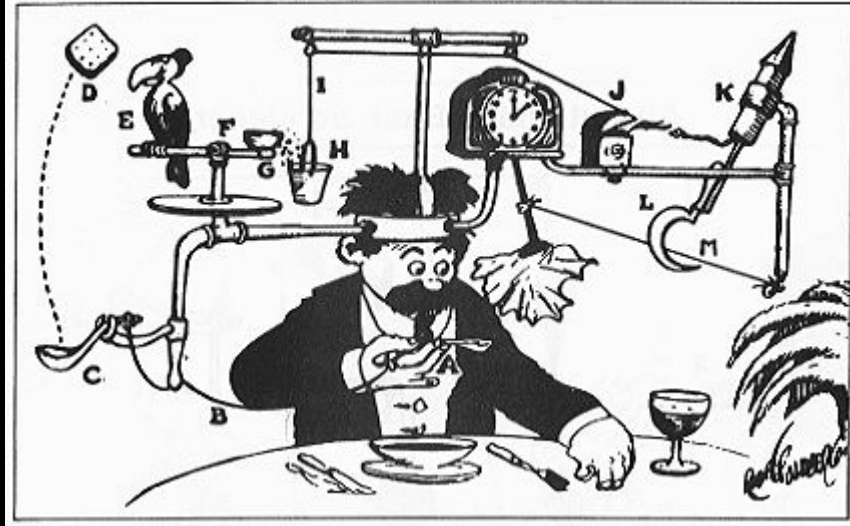

you're good enough, smart enough...

you(r estimation will) suck

bugs are progress

flat is beautiful

Self-Operating Napkin
